**Ratio 2/3 Belgravia - 1/3 Grosvenor**  
to be blended on site

*The Goldsmith Blend is a mixture of the Belgravia Buff Multi and Grosvenor Grey Multi. The Goldsmith Street project was blended on site by the contractors who mixed 2/3 Belgravia and 1/3 Grosvenor. The panel featured on this data card is a guide shown for illustration purposes.*

CE EN 771-1 Cat. I - HD

The colours shown on this card can vary due to limitations of the printing process and variation if viewed on a screen or monitor. With this in mind we advise all customers to view a sample of the actual product before ordering. Crest Bricks are manufactured from natural raw materials and are subject to slight colour variations, which usually enhance their appearance, please consider that the appearance of brick products can differ in various lighting and weather conditions. Crest reserve the right to change designs without notice. All products are subject to availability and our standard conditions of sale which are available on request.
